***REACH Information Letter***

Dear valued Customers,

in accordance with Regulation (EC) No 1907/2006 (REACH) Article 33<sup>1</sup> we would like to inform you about our investigation result regarding the latest Candidate List of Substances of Very High Concern (241 SVHC substances published by the European Chemicals Agency ECHA on June, 27th 2024) as well as substances listed in Annex XIV and Annex XVII.

Certain Printed Circuit Boards, produced by AT&S listed in Annex 1 of this letter, may contain Substance(s) > 0,1% weight by weight (w/w).

**We would like to point out that this has no influence on the ongoing business.** These products will be used without restriction until further notice. There are no substances intended to be released from the products as defined by REACH article 7(1) under normal or reasonably foreseeable conditions of use.

As of 5 January 2021, all our affected product families are registered in the SCIP database. We will be happy to provide you with the corresponding SCIP IDs and product family names on request. You will find further information on AT&S SCIP notifications on our homepage <https://ats.net/en/sustainability/>

For further information on the subject matter please also refer to the webpages of the ECHA at <https://echa.europa.eu/home>.

If you should have any additional questions or concerns, we would be happy to assist you. In this case please refer to your Account Manager.

Yours sincerely,

i.V. Marina Hornasek-Metzl

VP Corp ESG & Quality
